SOFTWARE DEVELOPER PROGRAMMER

TEKNINDOPURI AMPUH PERKASA

About

Our company was first established in 1974 under the name of PT. NTN Bearing Indonesia. We started off as a joint venture company with NTN Bearing - Singapore (Pte) Ltd. Each company held 50% capital shares. Our main business was representing NTN Toyo Bearing Co. Ltd. - Japan as their sole agent for Indonesia territory. In 1989, our company changed its name to PT. Teknindopuri Ampuhperkasa. At the same time we also bought over the shares of NTN Bearing - Singapore (Pte) Ltd.
